THE OCEAN COURSE

Pete Dye's windswept masterpiece proudly hosted the 1991 Ryder Cup, 2012 PGA and most recently the 2021 PGA Championship. This world-renowned course challenges players with brisk sea breezes while rewarding them with stunning Atlantic coastline views from every hole.

TURTLE POINT

With three spectacular oceanfront holes, this Jack Nicklaus design exemplifies the architect's meticulous approach to the game. Narrow fairways, small greens and strategically placed water hazards present an amazing test of length and accuracy.

OSPREY POINT

Tom Fazio's Osprey Point features 18 holes of intriguing golf embraced by four lakes, saltwater marsh and a canopy of stately trees. The spectacular setting and characteristic Fazio playability make this an island favorite for players.

COUGAR POINT

With a stunning new Clubhouse, Gary Player's 72 par course is renowned for its sweeping views of the Kiawah River and saltwater marsh. It offers generous landing areas off the tee, but requires accurate approach shots to small greens.

OAK POINT

Oak Point traverses the grounds of an old plantation bordered by Haulover Creek and the Kiawah River, offering scenic vistas of saltwater marshes and dense forests. More playable than ever before, this Clyde Johnston designed course is a new member favorite.
